

# EATON COMMUNITY COLLEGE

*Encouraging, Caring, Challenging*

## DRESS CODE

### PURPOSE

A dress code allows all students to be equal; there is no demand on any student to keep up with the fashions or to show membership of a particular group. As members of this community, it is necessary to have a sense of belonging and identity. The way in which we support our dress code tells others in the wider community how we feel about ourselves and the College we belong to. It also allows staff to ensure security of students in their care through an effective means of identification both within and external to the College grounds.

### PROCESS

The Dress Code was developed and approved by the P & C and College Council in 2010. The P & C and College Council must approve any changes to the Dress Code. Parents will be notified in writing of any changes to the Dress Code.
