OUR VISION

We seek to support every student to develop intellectually, emotionally, physically and culturally. This is about ensuring that they are ready for today's world and the future. Each individual student has the right to expect academic excellence within the learning environment. Our aim is to support them to strive for the highest academic standards whilst fostering independent, creative, critical thinkers who are the lead learners of the future. Our role is to encourage our students to be intellectually active and self-directed. We respect each student by providing a wealth of opportunities to foster their strengths in becoming life-long learners, embracing their full potential.

SCHOOL RECEPTION OPEN IN SCHOOL HOLIDAYS

Our College Reception will be open during the school holidays and Macbook/IT support continues over the holidays.

MAJOR SAFETY CONCERNS - STORM DAMAGE 4TH MARCH 2021

ECC experienced serious health and safety concerns as a result of the storm. The photos below show how serious the flooding was in significant parts of the school. The new Science Block was under water, including electrical infrastructure. This along with major flooding in key classrooms across the College posed a high safety risk to our students. It wasn't until 3.30PM that things began to change for the better and we were able to repair the College. Thank you to parents for your patience on the day and acting swiftly to pick up your children from an unsafe situation.
