We seek to support every student to develop intellectually, emotionally, physically and culturally. This is about ensuring that they are ready for today's world and the future. Our role is to encourage our students to be intellectually active and self-directed, guided to work together as partners, teachers and students. We respect each student by providing a wealth of opportunities to foster their strengths in becoming life-long learners, embracing their full potential.

Our core values are at ECC we Encourage, Challenge and Care for our students. As a Positive Behaviour School we all embrace our behaviour expectations in the aim to improve our school community. To support the school's endeavours to provide high quality education we ask all students to commit to conducting themselves in an appropriate manner to ensure they get the best from their education. At Eaton Community College our Code of Conduct Expectations are based around the understanding that students have the right to learn and teachers have the right to teach.

Behaviour

Eaton Community College school wide behaviour expectations are:

R I S E ... because

“We are **RESPECTFUL**”

“We are **INCLUSIVE**”

“We **STRIVE**”

“For **EXCELLENCE**”

At Eaton Community College we focus on teaching students' behaviours that compliment effective learning through the educative approach and contemporary behaviour improvement processes known as Positive Behaviour Learning.

Attendance

Students are expected to maintain regular attendance – 90% or above, which is 5 days per term.

All absences must be explained by a parent/guardian and a medical certificate must be provided if an absence is greater than 3 days. Unexplained absences will be followed up by the school.

DOES ATTENDANCE REALLY MATTER?

1 or 3 days a week doesn't seem like much but...

If your child misses	That equals	Which is	And over 13 years of schooling that is
Half a day per week	20 days per year	1 month per school year	Almost 1.5 school years
1 day per week	40 days per year	2 months per school year	Almost 2.5 school years
2 days per week	80 days per year	4 months per school year	Over 5 school years
3 days per week	120 days per year	Over half a school year	Almost 8 school years

If you want your child to be successful at school then

YES, ATTENDANCE DOES MATTER!
EVERY DAY COUNTS

On school grounds

To ensure the safety of all students there is an expectation that as soon as a student arrives at school they will remain on school grounds throughout the day. Students are expected to attend all of their scheduled classes.

Uniform Policy

A dress code allows all students to be equal; there is no demand on any student to keep up with the fashions or to show membership of a particular group. As members of this community, it is necessary to have a sense of belonging and identity. The way in which we support our dress code tells others in the wider community how we feel about ourselves and the College we belong to. It also allows staff to ensure security of students in their care through an effective means of identification both within and external to the College grounds.

Illegal Substances or items

Students will not bring illegal items or substances onto school premises.

Maintaining a Good Working Environment

It is the expectation at Eaton Community College that students will take pride in the school environment and conduct themselves in a manner to ensure the learning environment is kept to a high standard of presentation. It is expected that students:

- Will not indulge in boisterous and unruly behaviour;
- Will not abuse, harass, threaten or assault others;
- Will dispose of rubbish in an appropriate manner;
- Will not deface or damage any part of the school buildings, property or resources; and
- Will demonstrate care for the gardens and plants

Mobile Phones – Off and Away

The Student Mobile Phones in Public Schools policy bans students from using mobile phones from the time they enter school grounds to the conclusion of the school day.

This includes smart watches and listening accessories, such as headphones and earbuds. Students must have their mobile phone turned off and out of sight during the school day.

STUDENT AGREEMENT

I agree to abide by the Eaton Community College code of conduct and I have read, understood and accepted them as they are outlined above. I will strive to be a positive role model for the school community and abide by the principle that students have the right to learn without disruption.
