

RISING SUNS			
R	I	S	E

Overview:

Rising Suns is part of the acknowledgement system at Eaton Community College. This program recognises students who have an average attendance above 85% and adhere to the behaviour expectations of the school that are located within the Positive Behaviour Support matrix. These students add to the culture of the school making the college safe and inclusive to all.

Rising Suns status is evaluated at the end of each term and students who achieve this status are provided with an activity or reward lunch. If students achieve Rising Sun status each term they are able to achieve Honour Certificate at the end of the year and a reward activity.

	Requirements for achieving Rising Suns	Students who achieve rising suns need to have:
Respectful	Students demonstrate positive behaviours at school, as outlined in our Positive Behaviour Support Matrix	<ul style="list-style-type: none"> - no suspensions or internal withdrawals - 3 or less negative behaviour entries recorded in the term

Rising Suns Process:

At the start of each term every student can be a Rising Sun. During Week 8 students with Rising Sun status will be put up on the notice board and the activity or food reward will be offered to those students. Student can still lose Rising Sun status between the names going up on the board and the reward activity if they do not adhere to the schools' Behaviour Expectations or stop attending school on a regular basis. Achievement of Rising Sun status will be recorded.
