

InSPIRED Specialist Program

EATON COMMUNITY COLLEGE

- STEAM
- Problem-Solving
- Innovation
- Resilience
- Enterprise
- Design

Hands-on learning. Real world innovation.

More than just a class...

- Foster creativity in a design studio setting, working directly with clients, industry, government and universities
- Create innovative solutions to real world problems using STEAM
- Gain a competitive edge in skills valued in future industries: collaboration, creativity, problem solving, critical thinking and communication
- Utilise specialised technology, access extra-curricular opportunities and work with passionate specialists
